This cover provides three items — a nostalgic souvenir of our 76-year-old city hall, Kuch's cartoon of a pigeon-eye view when the clock tower had come down, and the artist's vision of the \$7 million city hall plaza we will be admiring shortly. When this issue comes to your hands the site will be a mass of rubble but what an improvement the new buildings will be!

# Good Grooming . . . in Business

The women of the staff of the Lunch Room Department were treated to a course on good grooming on Monday, April 16 and Tuesday, April 17. This course, organized by Mrs. Rose Collins who does the training for that department, was presented to 340 people in all, each attending for one evening. The program was preceded by a luscious fried chicken dinner served in the Valley Room between 5 and 6 o'clock. The meeting was held in the Assembly Hall beginning at 6:15 p.m. and continuing to about 8:00 p.m.

Mr. Stewart Lord, stylist from our Beauty Salon, gave a talk and demonstration on hair styling and care as the first item on the program. This was followed by a lecture by Mrs. Ardeth Francis, travelling consultant for Richard Hudnut, assisted by Mrs. Margaret Currie of our Toiletries, on the proper use of make-up, illustrated both by posters and demonstration on a model. Mrs. Collins completed the program by giving a talk on footwear and foot care and the uniforms in use in the department.

Gifts of Du Barry toiletries were distributed along with interesting pamphlets.

Those attending were happy about the pleasant and informative evening they had spent and felt sure that it would result in even better effort on the part of the staff to present a pretty and pleasant appearance to our customers.
